Dear Whispering Hills Management,

At the end of my current lease on November 30, 2008, I will be vacating my town home at 12557 Postgrove Drive. I have recently purchased a condo in a nearby neighborhood.

I have been a resident of your property for six years and want everyone to know how much I have enjoyed living in this community. My highest compliments go to the office staff: Jeanette, Sandra and Chelle and newer members whose names I don't know. I have worked the closest with Sandra and Chelle and want them to know that I think that I admire their work ethic, their personalities and their willingness to make my town home as updated as possible. Each and every time I called they were polite, respectful and helpful.

The maintenance staff here at the complex is awesome. These gentlemen have "golden hands." I truly want to thank Larry, Don, Ron, Steve and Mike and any others I have missed. They've always entered my home respectfully and seemed to be able to fix just about anything. Any request, no matter how small or seemingly insignificant, was honored with prompt maintenance and a follow up call from the office. I am sure this is not always the case in other apartment communities.

I leave with some wonderful memories and a bit of sadness, but I am looking forward to owning my own property again. (Except for the maintenance part!) Please know that I thank all of you for being a part of my life for the last six years.

Sincerely,

Betti Blumoff
